

United States Department of Agriculture

BUREAU OF ANIMAL INDUSTRY

JOHN R. MOHLER, CHIEF OF BUREAU

INDEX TO SERVICE AND REGULATORY ANNOUNCEMENTS JANUARY-DECEMBER 1935

[Items, which customarily appear in each month's issue, are not listed in this index. These regular items include: Changes in the meat-inspection directory; monthly table of slaughter and condemnations under Federal meat inspection; monthly table of imports of food animals and meats; monthly summary table of tuberculosis-eradication work; monthly summary of Bang's disease work; monthly table of anti-hog-cholera serum and hog-cholera virus production; monthly list of licenses issued and terminated for manufacture of biological products; monthly proceedings under the Packers and Stockyards Act; results of prosecutions for violations of laws; and list of new publications of the Bureau.]
